EJL welcomed Neil Poole to the meeting. He is the new Parish Council Representative and Sarah Dutton, who is still a Parish Councillor is continuing on the Committee which is good news.

## **2. Minutes of previous meeting.**

The minutes of the meeting held on Tuesday 6th June 2023 were approved and signed as a correct record by EJL.

## **3. Matters Arising from the Minutes.**

The Baron Munchausen show was a great success and EJL asked one of the cast if he could organise a Pantomime for our Christmas Show. JG is liaising.

The Fete took only half of the bar takings compared to last year. EJL has asked Tarvinonline to thank the CC for its participation and hosting some of the events.

## **4. Officers' reports**

Chairman's Report Ted Lush

See previously circulated report.

The empty half of our building has not been occupied since November 2020 and now will soon be leased for 5 years to the NHS.

It is hoped that the remainder of the roof will be renewed as recent rain is still causing leaks.

Consequently, with new tenants we will not be able to use extra space for the toilet refurbishment. EJL and Roy Brereton will consider again the original plans using some of the linking corridor for more space that will involve the re siting of the door to the Small Room. The Committee decided that the Centre could potentially be closed during August 2024 for the work to take place. Women's and Men's toilets will be kept separate, although Sharon suggested Unisex Loos. EJL will report back for the next meeting, although it is probable that the Committee has enough resources to fund the project possible grants will be investigated.

The occasional car has been locked in the carpark. EJL will investigate new signage to prevent this and as everyone agreed that the gates need painting he will ask CWaC, our landlord about this too. He is also chasing a grant for the new defibrillator..
