4 Officers' Reports

Chairman's Report **Ted Lush** See previously circulated report.

Ejl presented his report.

CWaC have suggested a wildflower section of our grounds. The Committee think this would be better planted at the front of the building. SN and MS commented that it is a difficult project and levelling the ground where the laurels and brambles are would be more practical and also it is better to spend money on the front beds where the existing shrubs have gone wild and overgrown.

A working party of volunteers from the Committee - all welcome! will meet on March 15th at 9.30am to work on the garden beds and consider the next move. Every one who can, is asked to come and help.

Ejl asked that we ask users of the CC to put away equipment and furniture properly and to clean up too before they leave. (and also to turn heating off)
